

Sensa Car Insurance. That's Peace of Mind for You

Car Insurance Focused on Help

Founded by a medical doctor determined to find a better way to treat victims of car accidents and provide them the right assistance as quickly and as accurately as possible. Never alone, Sensa guarantees that the driver and passengers will receive the right help on time.

Sensa is the **only** car insurance offering **24/7 premium lifesaving** emergency services. **at no extra cost!**

The Sensa Sensor – Sensa's "Secret Sauce"

In case of collision, the sensor automatically recognizes the accident and activates premium lifesaving emergency services 24/7.

Every Sensa policyholder receives the Sensa sensor free of charge. The small tag is the enabler of drivers' access to Sensa's patented safety technology and premium emergency services:

- Privacy guaranteed! No tracking of driver's driving habits and no ongoing data collection at all
- Automated accident detection
- Precise analysis of damages and injuries
- Stick & go installation in seconds
- Solar powered battery for long-lasting safety
- No app or dongle required. No telematics hassle

Additional benefits include:

- ✓ Dedicated personal care – a single point of contact for all your needs
- ✓ Competitive rates & multiple discounts
- ✓ Multiple payment & policy options
- ✓ Shorter and quicker claim process

Small box, big innovation
and you are covered!

Prioritizing the Protection of Your Loved Ones

Sensa car insurance is the best choice for drivers who prioritize the safety and protection of their loved ones above all else. With the Sensa sensor in your car you have peace of mind knowing that you've done the utmost to protect your loved ones.

Sensa. Live life in the safe lane
